Student Government: Reorganizes, Challenges, Improves!

Life is expensive these days, so first Student Government raised money by sponsoring a gas raffle, sale of Mums at Homecoming, Sale of Brookwood pennants, and hosting a magician's act. Student Government then launched into a yearlong parade of events. They started the year off with a Fall Field Day, climaxed it with the first Homecoming, and brought the year to a close with a Spring Playday. The highlight of the year, our first Homecoming, was a festive occasion that included the election of our first Homecoming Queen, a spectacular halftime show, and a dance featuring "Sunrise." The Student Government also sponsored various other activities such as pizza parties and other dances.

Key Club Is Asset to School

FRONT ROW: Bob LeGette, David Dyke, Scottie Fenlon, Bill McKinnon, Mike Titus. BACK: Robert Boissiere, Slator Arnold, Bobby McAuley, Richard Manny, Jim Dalrymple.

The Key Club is a service organization sponsored by the Kiwanis Club of Thomasville. The Key Club performs service projects for the school and the community which seem to consist mainly of moving chairs around for various activities at Brookwood. Many organizations here must extend their appreciation for this much needed service. Under community projects, selected members busily cleaned out three years of dirt from the Thomasville Courthouse fountain.

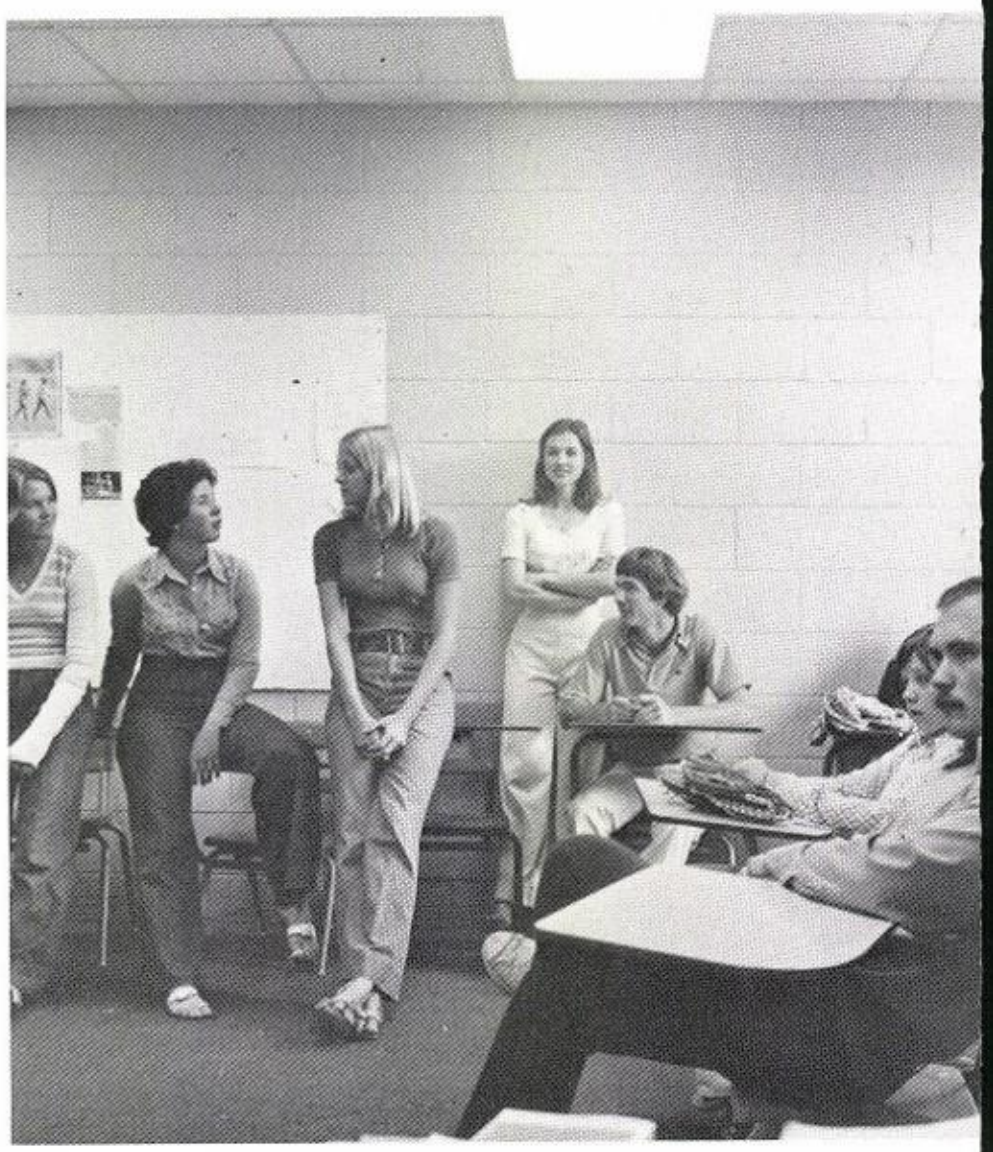
Aside from moving chairs, the Key Club assists with Brookwood's annual Hunter Horse Show.

Sponsor: Robert Boissiere; President: Jim Dalrymple; Vice-President: David Dyke; Sec.-Treas.: Bobby McAuley.

Turtle Club Goes Coed

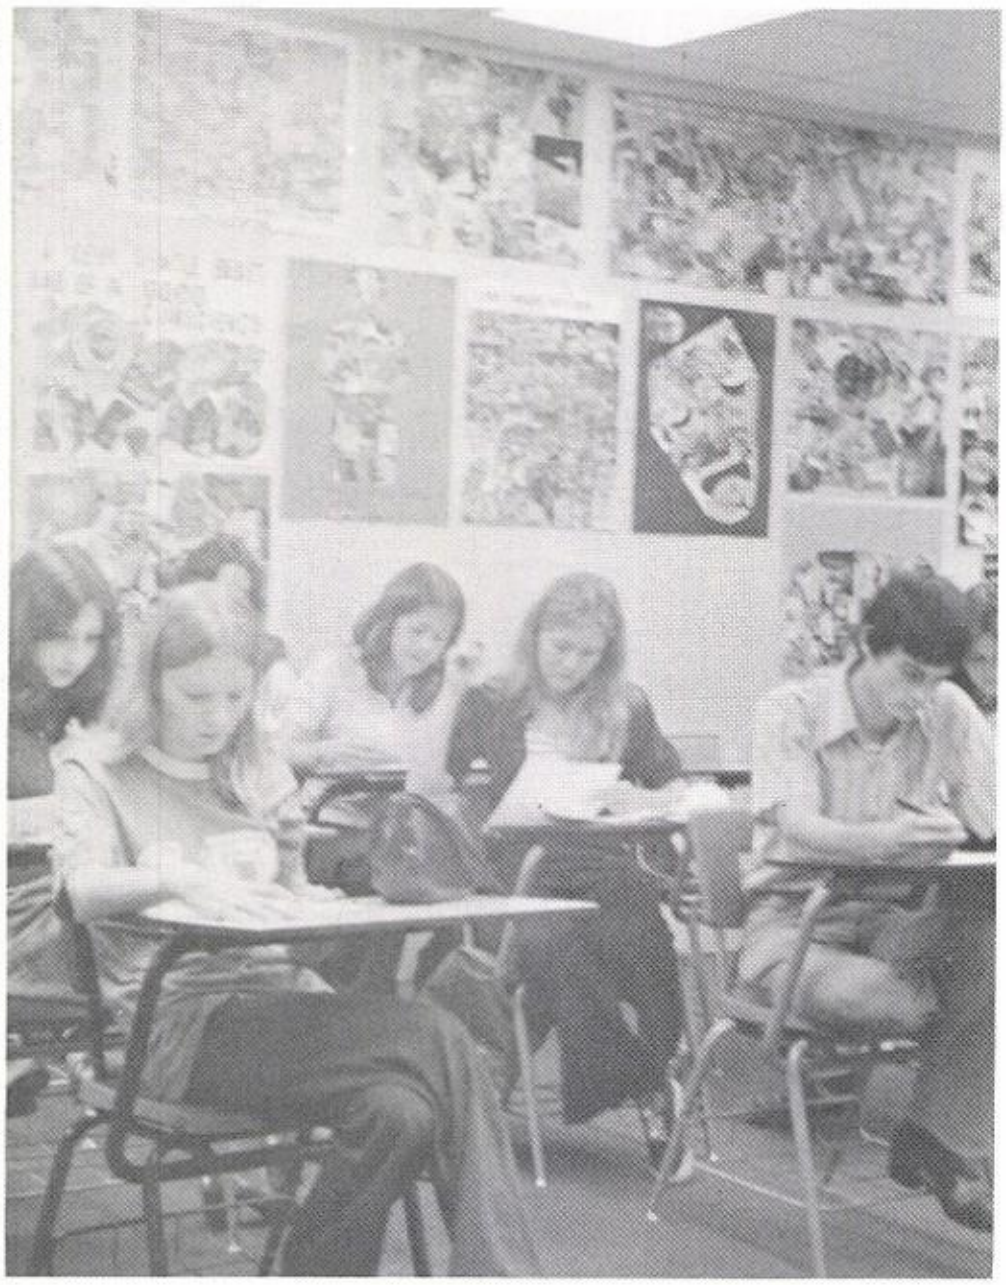
FRONT ROW: Robert Benton, Charles Allen, Ben Jones, Nelray Rice, Diana Canman, Ann Tyson. BACK ROW: Guillermo Sutton, Robert Horne, Don Jones, Mike Bernier, Joe Turner, Bill King, Steve Miller, Debbie Lane, Harris Strickland, Sheri Burton, Ken LeGette, Kathy Barrett, Cheri Harper, Robin Perry, Rick Luka, Robert Hughes, Scott Lyle.

After one year of being "bachelors," the Turtle Club unanimously voted to go co-ed. This brought not only more members, but also a greater interest in the club. Once again, their activities revolved around their summer beach trip to Panama City. To help pay for this trip, they operated the ever popular goldfish booth at Brookwood's Halloween Carnival. The members could easily be distinguished around school, wearing their green and gold jerseys. A fear which this club had to live with was the echoing cry of Mr. Lyle saying "Will you please set up the chairs!"



Sponsor: Tom Johnson; President: Ben Jones; Vice-Pres.: Robert Hughes; Sec.- Treas.: Steve Miller.

Calliope Reveals Creative Talent of School



The magazine goes on sale in September and the money is used for the Calliope Award. This is the first year for the Award. The best single entry published in the literary magazine, voted on by the students was a tie: Leanne Strickland for "Social Suicide" and Cheri Harper for "The End."

Calliope is in affilliation with the Georgia Scholastic Press Association and won second place in state competition.

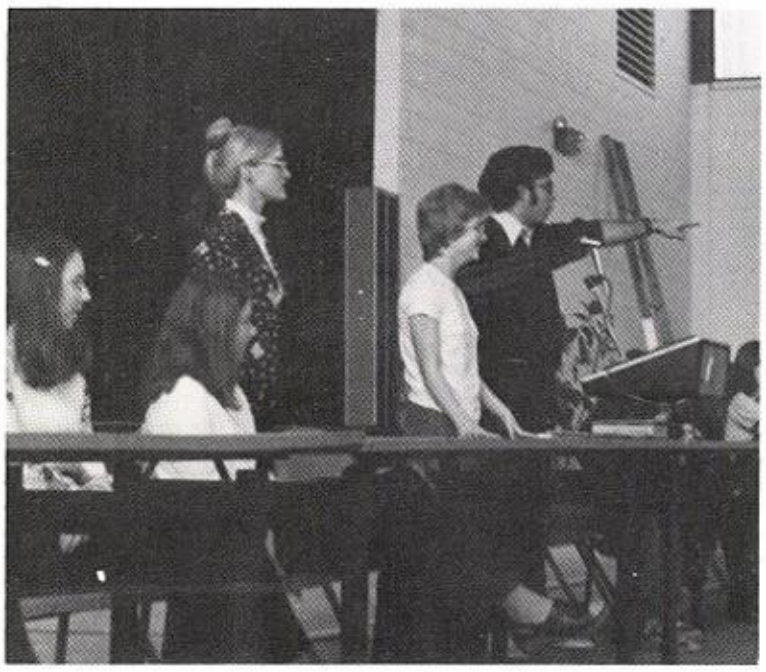
Smoke Signals Does Fine Job of Reporting

L to R: Claire Chason, Laney Hines, Ann Shackelford, Bobby McAuley, Ginny Davis, Beth Chambers, Jane Taylor, Susan Taylor, Ashley Russell.



Everyone would be in the dark without Brookwood's newspaper. The SMOKE SIGNALS' aim is to fill in its readers with the latest happenings around Brookwood. It costs money to run a newspaper so the SMOKE SIGNALS' staff does various money-raising projects.

One of their main sources of income is selling ads. They also introduced "Slave Day" to Brookwood in the form of auctioning the members of their staff to perform duties for their masters.

Smaller activities which added to their income included a "pick-the-winner contest" and a baby picture contest. Members of the staff are required to attend meetings and turn in at least one article per issue.

The SMOKE SIGNALS' staff is to be commended for its fine job of "on the spot reporting" and a fine coverage of the news events occurring in and around Brookwood.

Warrior Has Busiest Year Ever!

THE WARRIOR has been reorganizing under new advisement. The year was started off with profound efforts toward selling ads to business men in the area. The main money-raising project of the year was the annual Christmas Fashion Show that was a booming success. A new Miss Sweetheart was chosen in a Valentine's Day contest sponsored by the staff. THE WARRIOR'S aim for the school year was a better representation of all of the aspects of Brookwood life.

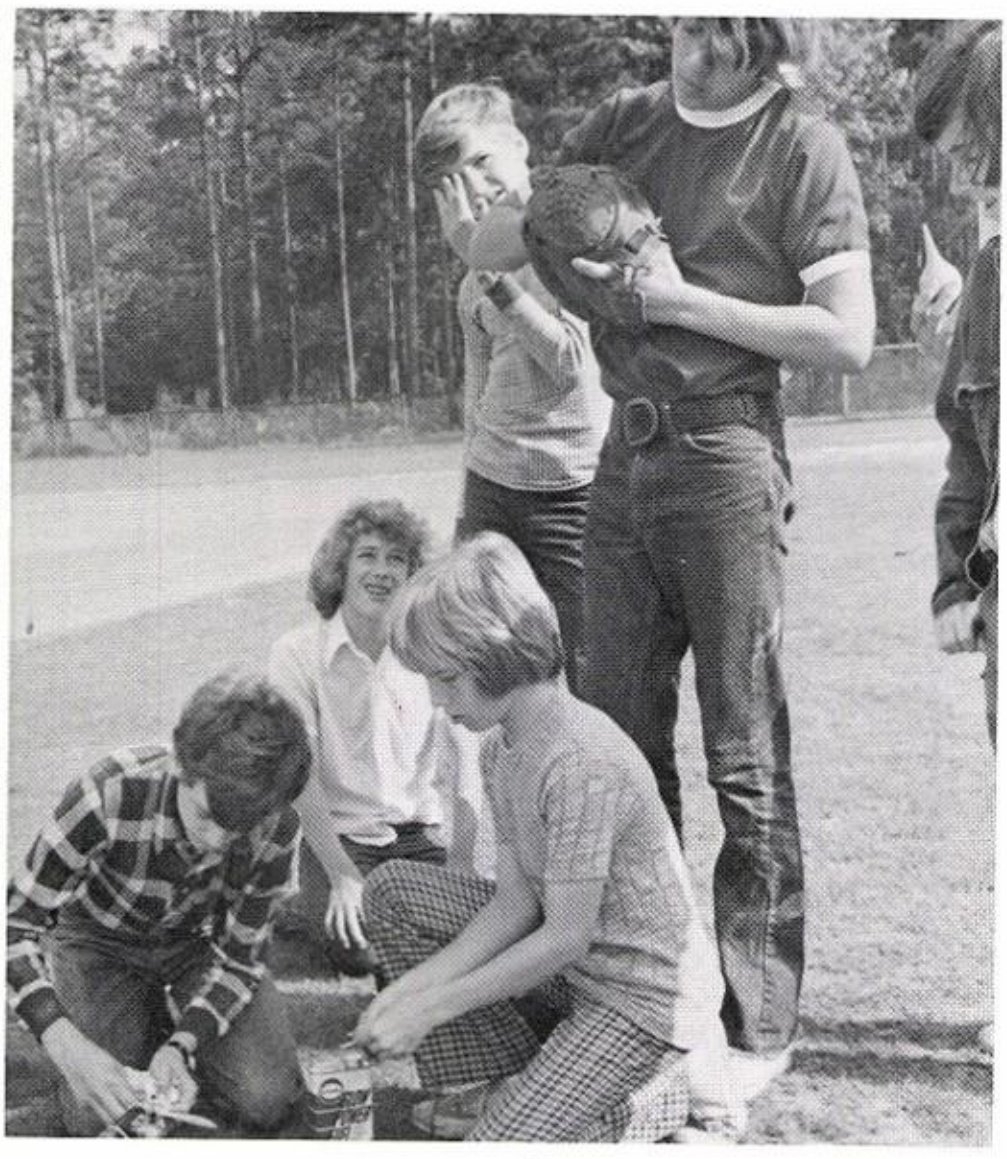
Model Planes for Fun



A newly formed club at Brookwood is the Model Plane Club. The purpose of the club is to foster interest in model plane building, flying, aeronautics. The members fly planes or rockets and sometimes try to fly themselves.

Brookwood's Mad Scientists

Brookwood is fortunate enough to have mad scientists on hand. The club is small with only 16 members. The members bring dues as their source of funds. The club is affiliated with the Future Scientists of America. They spend their club time doing experiments and watching films to further their knowledge in the field of science.

The Drama Club had a busy year attending various plays and films, including the production of ROMEO AND JULIET at FSU. After seeing the professionals do it, they presented plays and skits for Brookwood students. The two plays produced were HEN PARTY and CINDERELLA REVISITED. They also provided entertainment for the Sweetheart Contest by performing skits. The drama club raised money for stage props and scripts by collecting dues and having bake sales. They plan to bring professional theatre companies to Brookwood and to organize active drama programs on campus.
